Background

Attendant services are non-technical, medically related, or personal care services provided to people at home or in community living settings. The 2026-27 General Appropriations Act (GAA), Senate Bill 1, 89th Legislature, Regular Session, 2025 (Article II, HHSC, Rider 23) increases the wage for attendants to $13.00 per hour. It also increases the associated payroll costs, taxes, and benefits (PTB) percentage to 15 percent for services provided in facility settings and 14 percent for services provided in non-facility settings. Additionally, Rider 23 provides appropriations to increase the associated administrative rate for personal attendant services by $0.24 per attendant hour.

Methodology

HHSC is responsible for the reimbursement determination functions for the Texas Medicaid Program. Proposed rates are calculated using established methodologies that conform to the Social Security Act and related federal regulations, the federally approved Texas Medicaid State Plan, all applicable state statutes and rules, and other requirements. HHSC proposes increases to payment rates for personal attendant services in HCS, HCBS-AMH, TxHmL, and ICF/IID in accordance with Rider 23, effective September 1, 2025.

Proposed Rate Adjustments

The proposed Medicaid payment rate adjustments, effective September 1, 2025, are listed in Attachment 1: Proposed Medicaid Payment Rate Actions for Attendant Services.

Potential Testimony Limitations

Due to the number of people anticipated to provide oral testimony at the hearing, HHSC may have to limit public testimony to two minutes for each individual. This limit depends on the number of participants signed up to testify prior to the hearing and the time allotted for the rate hearing. HHSC will announce the final allotted amount of time for oral testimony at the beginning of the hearing.

Written comments regarding the proposed payment rates may be submitted instead of, or in addition to, oral testimony until 5:00 p.m. on the day of the hearing.
